23rd Annual Conference

SPRING 2015

MIAMI MARRIOTT BISCAYNE BAY
APRIL 17, 2015

FBN **Florida
Bioethics
Network**

www.miami.edu/ethics

Overview

Clinical Ethics: Debates, Decisions, Solutions Ethical challenges facing health professionals have never been more important or more numerous. This program emphasizes themes in nursing and indian health, child safety and gender identity dysphoria, social worker proxies, and global crisis healthcare. From end-of-life decision-making to ethics committees, it is clear that bioethics – and bioethics education – must be assigned the greatest possible roles in the daily lives of individual professionals and their institutions.

Accreditation This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of The University of Miami Leonard M. Miller School of Medicine and the Florida Bioethics Network. The University of Miami Leonard M. Miller School of Medicine is accredited by the ACCME to provide continuing medical education for physicians.

Disclosure and Conflict of Interest Resolution All conflicts of interest of any individual(s) in a position to control the content of this CME activity will be identified and resolved prior to this educational activity being provided. Disclosure about provider and faculty relationships, or the lack thereof, will be provided to learners.

Credit Designation The University of Miami Leonard M. Miller School of Medicine designates this live activity for a maximum of 6.0 *AMA PRA Category 1 Credits*.™ Physicians should claim only the credit commensurate with the extent of their participation in the activity.

The University of Miami School of Nursing and Health Studies designates this seminar series for a maximum of 6.0 *CEU Credits*.

Continuing education credits for Social Workers, and Attorneys have been applied for. This activity may be used for continuing education credit for chaplains certified with the Board of Chaplaincy Certification Inc.

Program

Learning Objectives

Upon completion of this program, participants will be able to:

- Assess and reify the role and importance of bioethics in clinical and institutional decision making, especially regarding end-of-life-care, social worker proxies, adolescent gender identity dysphoria, the role and function of ethics committees and other topics.
- Identify and modify practice based on ethical challenges and issues in clinical practice, public policy, health law and the role of institutional ethics committees.
- Analyze and articulate ethically optimized solutions in clinical and public health contexts.

Target Audience

This course is designed for physicians, lawyers, nurses, social workers, clergy, psychologists, health administrators, philosophers and others with an interest or a need for continuing education in health ethics.
