Conference Center

Panama City, Florida

Friday, September 16, 2005

8:30 a.m. – 3:30 p.m.

Co-Sponsored By:

Florida Bioethics Network

Bay Medical Center

Gulf Coast Community College

Abstract

No - we're not talking about the song from the 70's! You may have heard or read about the "dawning of the Age of Aquarius!" This simply means that we are leaving one age (Pisces), and entering into a new one (Aquarius). This happens about every two thousand years. The current "Age of Aquarius" is thought by many to have started at the new millennium.

"Death and Dying in the Age of Aquarius" focuses on many of the changes we are experiencing during the dawn of this new age. It considers the ethical dilemmas in this natural and inevitable process. From the physiological process of dying, palliative care, withholding and withdrawing treatment along the lifespan, to family issues and end-of-life decisions; this unique conference is designed for healthcare professionals to enhance these skills in this age of enlightenment.

Continuing Education

(6 Contact Hours)

- ❖ Nurses (FBN2097)
- ❖ Clinical Social Work, Counselors, Marriage & Family Therapists (BAP218)
- ❖ Pharmacy (PS1-095) ~ pending

Physician CME

The Bays Medical Society is accredited by the Florida Medical Association to sponsor continuing medical education for physicians. The Bays Medical Society designates this activity for a maximum of 6 hours of general education in category 1 credit toward the AMA Physician's Recognition Award. Each physician should claim only the hours of credit equivalent to the number of hours, which he or she actually attended during the educational activity.
