

# 15th Annual Pediatric Bioethics Conference

Friday, November 4, 2022

## Overview

Wolfson Children's Hospital, in partnership with the Florida Bioethics Network, presents the **15th Annual Pediatric Bioethics Conference**.

With talks on pressing issues by experts in the field, the conference will serve as fertile ground for the development and clarification of best practices in pediatric bioethics. It will include sessions on topics such as: Decision-making in adolescent medicine, Understanding the best interest standard in pediatric medicine, and Reconciling healthcare as a moral community.

## Why you should attend

Ethics committees, health care practitioners and public policy experts are consistently faced with difficult ethical challenges. This conference will provide education surrounding these challenges, and an opportunity to engage peers and learn what others are doing to cope with the ethical issues that arise in pediatric health care.

## Who should attend

This course is designed for physicians, nurses, social workers, clergy, psychologists, health administrators, occupational therapists, speech therapists, pediatric mental health workers, pediatric specialists, medical students, nursing students, ethicists, philosophers, and others with an interest in or a need for continuing education in healthcare ethics.

## How to register

Register online:

## EDUCATIONAL CREDITS

### CME ACCREDITATION STATEMENT

This activity has been planned and implemented in accordance with the Standards for Integrity and Independence in Accredited Continuing Education of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of Baptist Health and The Florida Bioethics Network. Baptist Health is accredited by the Florida Medical Association to provide continuing medical education for physicians. Baptist Health designates this live educational activity for a maximum of 4.0 (four) AMA/PRA Category 1 Credit(s)™. Physicians should only claim credit commensurate with the extent of their participation in the activity.

Disclaimer: Views and conclusions expressed in this program are those of the presenter(s) and not necessarily those of the employees, administration, or medical staff of Baptist Health. All material presented in this program is provided for information only and may not be construed as professional advice. Any use of Baptist Health's facilities for this presentation does not imply endorsement of any product, service, or opinion discussed.

Disclosure: All planners, activity directors, and faculty participating in continuing medical education activities sponsored by Baptist Health are required to disclose to the audience all relevant financial relationships with any ineligible company.

Successful completion of this CME activity, which includes participation in the evaluation component, enables the learner to earn up to 4.0 MOC points in the American Board of Pediatrics' (ABP) Maintenance of Certification (MOC) program. It is the CME activity provider's responsibility to submit learner completion information to ACCME for the purpose of granting ABP MOC credit.

Baptist Health System is approved as a continuing education provider by the Florida Board of Clinical Social Work, Marriage and Family Therapy, and Mental Health Counseling. Provider #50-4930 Expires March 2023. Approved for 4 CEUs.

## Florida Bioethics Network (FBN)

The Florida Bioethics Network is dedicated to the understanding and resolution of ethical and legal problems arising in healthcare and medical research in Florida's hospitals, hospices, nursing homes, managed care organizations and teaching institutions. For more information about the FBN, visit the website at [fbn.miami.edu/](https://fbn.miami.edu/)
