

Pediatric Bioethics Conference

Friday, November 7, 2014

Jacksonville Marriott, 4670 Salisbury Road, Jacksonville, FL 32256

Wolfson Children's Hospital, in partnership with the University of North Florida and the Florida Bioethics Network, presents the **Seventh Annual Pediatric Bioethics Conference**.

With talks on pressing issues by experts in the field, the conference will serve as fertile ground for the development and elucidation of best practices in pediatric bioethics. This conference will include sessions on topics such as "Sibling Perspectives on the End of Life," "Resource Allocation in the Clinical Setting," and "Ethical Issues in Nursing Administration."

Why you should attend

Ethics committees, healthcare practitioners and public policy experts are consistently faced with difficult ethical challenges. This conference will provide education surrounding such challenges, and an opportunity to engage peers from across the region to learn what others are doing to cope with the ethical issues that arise in pediatric health care.

Who should attend

This course is designed for physicians, nurses, social workers, clergy, psychologists, health administrators, occupational therapists, speech therapists, pediatric mental health workers, pediatric specialists, medical students, nursing students, ethicists, philosophers, and others with an interest in pediatric bioethics.

Florida Bioethics Network (FBN)

The Florida Bioethics Network is dedicated to the understanding and resolution of ethical and legal problems arising in healthcare and medical research in Florida's hospitals, hospices, nursing homes, managed care organizations and teaching institutions. If you'd like more information about FBN, you can access their website at www.fbn.med.miami.edu or contact Ken Goodman at 305.243.5723. By paying the \$55 registration fee, you are eligible to become a member of FBN. If you would like to join, please check the box on the bottom of the conference registration form.

FBN Guidelines for Ethics Committees

The FBN Guidelines for Ethics Committees is a must-have resource for institutions and individuals with a serious commitment to bioethics. The current edition includes a glossary and a section on bioethics and the law. You can obtain a copy by becoming a professional-level member (\$100).

Accommodations

A discounted hotel room rate of \$99 plus 13% sales and occupancy tax is available for Thursday, November 6th and Friday, November 7th at the Jacksonville Marriott for conference attendees. Each Attendee has the option of a room with 1 king or 2 double beds, based on availability. Call the hotel's reservation line at 1-800-962-9786 and reference the Pediatric Bioethics Room Block over the dates of November 6-8, 2014. Rate increases may apply if attendee is requesting an upgrade or dates outside of the group block.

Jacksonville Marriott

4670 Salisbury Road, Jacksonville, FL 32256
