

Preparing for the Coming Pandemic

November 9, 2007 Sarasota, Florida

This conference is designed to enhance the ability of local emergency networks to respond to a community crisis as it could unfold in the aftermath of a pandemic, such as the Avian Flu. Stressing the importance of information and coordination between health professionals, community leaders, volunteers, and government agencies, *Preparing for the Coming Pandemic* can serve as a catalyst for discussion, analysis and mobilization.

Scheduled Speakers

Larry Dunklee

Sarasota County Sheriff

Robin Fiore, Ph.D.

Florida Atlantic University

Ken Goodman, Ph.D.

University of Miami

Robert Hood, Ph.D.

Florida Department of Health

Mark Magenheim, MD, MPH

Suncoast Communities Blood Bank

Ed McCrane,

Sarasota Emergency Management Operation Center

Ray Moseley, Ph.D.

University of Florida

Scott Pritchard, MPH

Sarasota County Health Department

Kieran Smart, MD, MPH

Sarasota County Health Department

Celissa Stephens, MSN, RN

Commander, United States Public Health Service

Panel Discussion

At the close of the conference some of the guest speakers and local clergy will serve as a panel to; 1) identify the contribution churches and religious organizations can make to the coordinated community response, 2) clarify appropriate networks available to the faith community, and 3) identify proper protocols.

Clinical Ethics:

Preparing for the Coming PANDEMIC

Friday - November 9th - 2007
SARASOTA, FLORIDA

Is a pandemic inevitable?

What are the federal, state, and local protocols?

What are the ethical dilemmas?

Will resources need to be rationed?

Will quarantines and curfews be necessary?

What is the role of the Faith community?
