Course Description

The Conversations in Ethics lecture in August will cover different viewpoints on various end-of-life ethical issues, including the ethics of utilizing specific life-sustaining interventions.

Target Audience

Physicians, Physician Assistants, Nurse Practitioners, Nurses, Social Workers, Respiratory Therapists, Clinical Chaplains, Pharmacists, Medical Students, Registered Dietitians and other interested healthcare professionals.

Learning Objectives

- Recognize the Catholic viewpoint on various end-of-life ethical issues.
- Critically engage arguments regarding the definition of death and appropriate end-of-life care.
- Discuss the ethics of utilizing specific life-sustaining interventions..

Preregistration is required.
