

# Conversations in Ethics:

## Palliative Care Ethics

A Continuing Medical Education Course  
Presented by the Baptist Health Bioethics Department

**Live, Virtual Conference | 1 Cat. 1**

**Wednesday, March 20th, 2024**

**12:00 p.m. to 1:00 p.m. EDT**

The Conversations in Ethics lecture in March will cover information that will give providers and researchers a deeper understanding of the complex end-of-life decisions in the United States.

### Faculty

**Jason Morrow, M.D., Ph.D., FAAHPM**

Associate Professor of Medicine

UT Health San Antonio

San Antonio, Texas

### Target Audience

Physicians, Physician Assistants, Nurse Practitioners, Nurses, Social Workers, Respiratory Therapists, Clinical Chaplains, Pharmacists, Medical Students, Registered Dietitians and other interested healthcare professionals.

### Learning Objectives

- Apply tools and principles of ethical analysis to complex end-of-life decisions, including withholding and withdrawing life-sustaining treatment.
- Define physician-assisted death as it is practiced in the United States and contrast it with other related practices.
- Examine standards of care and legal requirements related to managing conflict over code status.
