

# Conversations in Ethics:

## integrated AI Ethics Perspective

A Continuing Medical Education Course  
Presented by the Baptist Health Bioethics Department

**Live, Virtual Conference | 1 Cat. 1**

**Wednesday, August 28, 2024**

**12:00 p.m. to 1:00 p.m. EDT**

Vardit Ravitsky, Ph.D., from Harvard Medical School Center for Bioethics, will join us for the August Conversations in Ethics lecture, which will focus on the ethical dimensions of AI in healthcare.

Topics will include privacy and data security to ensure that patient data is protected and used responsibly; biases in AI algorithms that could lead to unequal treatment or disparities; transparency in AI decision-making processes that are understandable to patients and healthcare providers; determining who is responsible when AI systems make errors or cause harm; and informed consent so that patients are fully aware of how AI is used in their care.

### Faculty

Vardit Ravitsky, Ph.D.  
Part-time senior lecturer on Global Health and Social Medicine and member of Center for Bioethics  
Harvard Medical School  
Professor in Bioethics Program, School of Public Health  
University of Montréal

### Target Audience

Physicians, Physician Assistants, Nurse Practitioners, Nurses, Social Workers, Respiratory Therapists, Clinical Chaplains, Pharmacists, Medical Students, Registered Dietitians and other interested healthcare professionals.

### Learning Objectives

- Identify the main ethical challenges emerging from implementing AI in healthcare.
- Recognize the bridge to AI projects.
- Discuss ways to address the ethical challenges of AI in healthcare.

### Accreditation

Baptist Health South Florida is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

Baptist Health South Florida designates this live activity for a maximum of 1 AMA PRA Category 1 Credit™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.
